CAPITAL REMOVAL

How Pekin May be Deserted for Sinan Fu.

EXODUS OF GOVERNMENT

Taking All the Ministers Far Into the Interior

IS UNEASILY PREDICTED

Of the Varying Degrees of Credence Attached at Various Capitals to Pekin Legation Stories.

New York, July 28.-The World will tomorrow publish a statement by Sheridan P. Reed, ex-consul at Tien Tsin, in which he says: "When the allied relief forces timpress, and possibly the emperor, have field with their court under escort of Manchu bannermen from Pekitn to Snan a line of rapid boats running from Tien to Shang Hal or Nagasaki.

Catalic manner, remaining the capital that telling his soldiers to carry civilization into China and in the same creath enjoining them to deal with ferocious severity there, do not tally. Besides, the Fu. taking with them the ministers, at Tsin to Shang Hal or Nagasaki. east as hostages, and leaving the other If the ministers are being held as hostmote inland city of Sinan Pu, a place until they are safely across the moun-

Sinan Fu. the capital of Shen Si, "For many years the Chinese have lating the removal of the stal the fewer would be the demands China from the outer world. Besides, this city was a capital of China in ancient times. It is stuated upon the so-called Marco Polo road, known to the Chnese as 'the great north trade route.' It would be almost impossible to move an army across the mountains with their narrow passes and does defiles, which sparate the provinces Chih Li and Shan The only way in which Sman Fu

could be reached by an army would be by way of the Yang Tre, proceeding from Hankow up the Yan river and Tan river This would be an almost herculean fask, as there is a very rugged range of mountains to the south of Sman Fu which extends across this part of China from east to west

"The Yellow river might seem to the casual observer of a map to be the but this river is not navigable for several hundred miles from its mouth thaving changed ito course in 1952 and now

foreign ministers are happily at present are still alive."

penetyed from Li Hung Chang, dated ument telegraphs him, under date of July 23, that the ministers are all well,

the Chinese authorities should persist in repeating these stories up to the visibly approaching moment when the whole truth must be disclosed by other agenes, it appeared upon careful considera tion of the reports that there really was little more ground for hope as to the safety of Mr. Conger and his colengues at Pekin today than there was esterday. The depressing fact is always n mind that the Chinese authorities, by their own statements able to communicate with the legationers, for some mysterious reason do not permit these unortunates to communicate with their wn governments. Minister Wu's explanation of this, that Chinese methods are different from our own, is scarcely satisfactory to the officials here. The min-ister, however, is honestly trying to get

fact that it is scarcely conceivable that

mmunication through from Mr. Conger, and it may be that success in his undertaking will afford a brilliant vindication. At least, he maintains a wonderful show of confidence in the safety of the legations, and manages to impress this in some degree on the of-ficials and others with whom he comes in

Alleged Woes of Immigrants at Ellis Island

SENSATIONALLY SHOWN UP

Ey a Writer in a London Journal's Columns.

FOUGH FROM THE BOWERY

Chief in Charge of Arriving Immigration .- Fed on Monldy Prunes .-Other Atrocities Alleged.

London, July 28.-A serious attack has been made in the columns of the Express tving at New York. That paper sent a representative in the steerage of the steamer La Champagne, who in the course of a series of articles entitled. "The Closed Door," has been giving English readers vivid pictures of the herrow of a steering passage. The writer, how-ever, chiefly devotes himself to the aileged britality and corruption of officials at the barge office and on Eilis Island. The latter the writer describes as a prison, where he maintains, emigrants are beaten and shared wome thin cuttle. The Ellis Island warders are called "the dirtiest ruffians in New York." Medical mation of emigrants, it s alleged s made without any regard to the theory

e principles of hygien The reporter says that the Invincibles Mullet and Pitzharris, were a thousand times better freuted than the oter emigrants, not excluding feeble women and children. He gives numerous instances with names. An idea of the attack our be gained from the following account of a supper on Eills Island: "We passed in a long line around the room. A man with filthy hands filled our fasts or handkerchiefs with mouldy prunes. Another thrust two lumps of bread into our were discussed at some length, but there hands. Supervising the distribution was danced upon the table and poured fortaupon us turrents of obseens, blass of prunes by the hair on the face. I maw

on the head with a heavy boot' The Express writer believes that if the emigrants the entire sum spent in the bark people who obviously have no power-ble chance of acceptance.
